result. In this case, such an order would be appropriate because the Complaint relates to an ongoing criminal investigation into violations of Title 18 U.S.C. §1361 – Depredation Against Federal Property of the United States; that is neither public nor known to all of the targets of the investigation, of which all of the participants are not yet known. Specifically, as noted in the Complaint, multiple individuals participated in the damage at the Foley Federal Building. The FBI is still working to identify other individuals involved. Disclosure of the information will jeopardize the investigation, including by alerting the targets to the ongoing investigation and giving the targets an opportunity to flee or continue flight from prosecution, destroy or tamper with evidence, change patterns of behavior, or notify confederates.

For the reasons stated above and to protect the integrity of an ongoing investigation, it is requested that the Complaint and Arrest Warrant documents are sealed.

DATED this 7th day of August, 2020.

Respectfully submitted,

NICHOLAS A. TRUTANICH United States Attorney

KIMBERLY SOKOLICH Assistant United States Attorney
